From the keyboard of the Principal

Dear Stakeholders,

I feel elated to share with you the annual report of one of the premier institutions of the Doaba. This report is a collection of activities and achievements of the college. The report is a pointer to our commitment and dedication to the institution and the goals that she aspires to achieve. The college has been galloping on the path of academic glory. It has been achieving benchmarks that categorise an institution as one of the best seminaries among others. The excellent results of the college bear an eloquent testimony to that fact. The college has achieved top ranking positions in university exams. The pass percentage of students in the university exams is too a matter of celebration for the college. Besides academics, the college has created a niche for itself in extracurricular department too. A litany of achievements in this field adds strength to it. With such achievements, it stands tall among the comity of other educational institutions of the region. To improve and enhance the quality of higher education, the college has left no stone unturned. It has been working in that direction. The day is not far when the college would be counted among the top institutions of the country, providing quality education to the aspirants. Whatever position we hold today, the credit for it goes to all the stakeholders. But for their efforts, the college would not have got the recognition that she enjoys today.

I assure you that we will continue to strive to achieve the unachievable. Our motto should be:

To strive, to seek and not to yield.

Academically yours,

Principal

ABOUT US

Inspired by the zeal of spreading higher education among women, Devi Sahai S.D. Education Board founded S.D. College for Women on 3rd August, 1973. The great philanthropists and educationists like Pt. Prem Chand Markanda, Pt. Dharam Pal Dada, Seth Rup Chand Budhia, Lala Shiv Nath Khanna laid the foundation of the college which made rapid progress and developed into a big educational centre of higher learning in a short span of time. Late Pt. Prem Chand Markanda, the founder Secretary of the College Managing committee rendered selfless service to this splendid and distinguished institution of prestige. Owing to his relentless efforts, that knew no bounds, the college has managed to scale insurmountable accomplishments in the area of academics. Post his death in 1992, the institution was renamed as PCM SD to pay homage to this man worthy of remark in an attempt to eternalize his contribution. With its' across the board courses and well-integrated curriculum in sync with the current epoch facilitating comprehensive learning and in keeping up with the burgeoning pace of technological boom under the able tutelage of its acclaimed and industrious faculty, the institution has been rated among the top educational institutions of the region. It has the distinction of being accredited with Grade-A+ by National Assessment & Accreditation Council (NAAC) for quality education.

PCM SD has evolved over decades into a gateway to supereminence by becoming one of the most sought after institutions engrossed in nurturing the inquisitive side of its learners fashioned into a quest for knowledge and awakening.
