TALENT EXPO

A Great Visionary

Late Pt. Prem Chand Markanda

One of the founding fathers of the institution, an eminent
harbinger of education and a resolute philanthropist,
an awardee of President's National Award, elected member of
the State Legislative Council from the Teacher's Constituency,
Member of Panjab University Syndicate and Senate,
he will remain a perpetual source of inspiration to the
faculty and students alike.

From the desk of

The President

The working of an institution reflects the principles upon which it was founded and the ideology with which it has been conditioned over the last five decades. P.C.M S.D. College for Women is one such institution established with the vision of providing value-based education juxtaposed with the most advanced teaching-learning environment. It is with immense pride that I serve as the captain of this magnanimous ship set sail by my revered ancestors, who were great visionaries with futuristic philosophies and liberal thoughts. This family has been imparting service to the society since 50 glorious years. Members of the management, Principal and Faculty members endeavour day and night to continue and initiate the practices that would take this great legacy forward.

Fashioned with the objective of imparting affordable quality education to young girls in the region, the college has earned an impeccable reputation of a champion in fostering women empowerment and inclusive development. Its commitment to society can be gauged from its persistent collaboration with a number of NGOs to contribute towards plethora of societal causes. Moreover, the continued preference of several families for P.C.M S.D. College generation after generation serves as a testament to its commitment to the highest academic standards while remaining at the forefront of finest intellectual pursuits.

I assure you that under able patronage, fine leadership and dynamic faculty, this institution will strive incessantly to empower you to achieve newer zeniths in your academic journey.

My blessings to all of you

Naresh Kumar Budhia

President, Governing Body, P.C.M. S.D. College

From the desk of
The Principal

In the path leading to a successful career and a fulfilling life, selecting the appropriate degree program and institution of higher education are significant decisions; and I trust that this informational brochure, along with the extensive range of resources it offers, will inspire you to become a part of P.C.M S.D. An Insight

Prem Chand Markanda S.D. College for Women Jalandhar remains an epicentre of Higher education in the region since its inception on 23rd August, 1973. The institution as it stands today has been carved into shape by the great philanthropists and educationists, Pandit Prem Chand Markanda, Pandit Dharam Pal Dada, Seth Rup Chand Budhia and Lala Shiv Nath Khanna. Owing to the able stewardship, it has made a considerable progress over the years and finely evolved into a noticeable temple of learning. Raising its stature of distinction, it has established a benchmark of super-eminence and advancement.

Vision

Prem Chand Markanda S.D. College for Women is a leading and globally recognized institution. Steadfast in the pursuit of truth and knowledge with a strong adherence to its motto "Do Your Job Well", the college fulfils the promise of imparting true value-based education amalgamated with the global standards of pedagogy and innovation in practices. We aim at an intensely comprehensive programme for each of our students for the holistic development of human personality and strengths. P.C.M. S.D. College is an unparalleled journey of excellence, quite in harmony with the evolving society and its needs. We focus on sculpting out leaders, entrepreneurs, innovators, reformers, researchers and thinkers powered with the potential to transform society, generate knowledge and lead India to that capstone of reformative restructuring from where it oversees the entire global command.

Mission

- To be a student-centric institution providing experiential, innovative and lifelong learning skills along with addressing the societal problems.
- To be peer friendly and to recognise their role as pivotal to self-assessment and improvement.
- To be unceasingly evolutionary in nature, conforming to the demands of the global milieu.
- To create an ambience in which neoteric ideas, research and scholarship flourish, and from which the luminaries and trailblazers of tomorrow emerge.
- To address problems faced nationally and globally through close scrutiny and aptitude in reconstituting a healthy nation.
- To eradicate the flaws and loopholes of our cultural/social milieu by enrooting strong ethical temperament in our students.
- To impart education that transforms the students through rigorous coursework and to juxtapose it with an understanding of the needs of society, culture and prevailing employment scenario.
- To collaborate with other academic and research institutions around the world for strengthening the apprenticeship and research ecosystem.

Core Values

THE CORE VALUES ADOPTED BY THE INSTITUTION AS EVER ABIDING PRINCIPLES ARE INTEGRITY, EXCELLENCE, TRANSPARENCY, ACCOUNTABILITY AND EMPATHY

- Creating a strong learning environment with values and ethics that enhances academic attainment, and develops students' social and relationship skills that last throughout their lives.
- Providing all students with the knowledge and skills to participate whole-heartedly and to collaborate, compete and connect to the society in such a way that the personal or socio-economic circumstances are not obstacles to success in education.
- Envisioning environmental, socio-economic requirements, cultivating the knowledge and skills necessary to reach a sustainable future.
- Ensuring every activity and procedures in compliance with the established guidelines and specifications set by the governing authorities and the statutory bodies.
- Maintaining integrity in deliverables and engaging in transparent and well established procedures for continuous assessment and evaluation.

Important Instructions:

- Read the instructions given in the Prospectus carefully.

Campus Profile and Infrastructure

PCM S.D. College for Women is recognised as possessing one of the most spectacular and environment-friendly next-level campuses. Being situated in the heart of the city, it is in close proximity to both the Jalandhar Railway Station and the Bus Stand. Its unique location, makes it easily accessible to the girl-students of the city as well as to those coming from villages in the vicinity. The institution since its beginning is relentlessly putting its best foot forward in materializing the dreams of its founders by upgrading its infrastructure periodically as per the emerging needs of the society. Since its inception, it has been an institution striving towards excellence in all spheres of higher education and catering to the educational requirements of women from various parts of the state. The college has played an instrumental role in the progress of education and contributed proactively to its growth and development. It has been particularly successful in moulding generations of women into progressive thinkers and leaders contributing to the nation in multifarious ways. Despite the challenges, our students have managed to bring laurels to the institution by being university toppers in the academic and co-academic arenas. We have also enabled them to become financially empowered by helping them secure employment in reputed institutions and becoming successful entrepreneurs.

As regards infrastructure, PCM SD College for Women spreads over three main blocks - Main block, IT Block and Collegiate Block. The campus has Wi-Fi enabled LCD projectors, tutorial rooms, library, a state-of-the-art seminar room and a fully equipped auditorium. The College is endowed with medical support systems, modern gymnasium, parking facility (available for both students and faculty), and two playgrounds. That our college embraces diversity and empowerment is exemplified by our dedicated lift facility catering to the needs of our differently abled students. An eco-friendly environment is being provided to the students with the innovative initiatives such as rainwater harvesting, paper recycling and other green practices. Additionally, our commitment to sustainability shines bright with the integration of solar panels, illuminating both minds and pathways towards greener future. The College has taken measures to address the need for vigilance and security as well. The college campus is under CCTV surveillance in order to be absolutely safe and secure for each and every student studying here.

In addition, the college has facilities such as common rooms, waiting rooms, canteens and book stores . We provide well-equipped furnished laboratories for basic sciences as well as for other departments which include languages, Home Science, Fashion Designing, Cosmetology, Psychology, Office Management and Secretarial Practices etc. Audio-visual Room equipped with all teaching aids such as OHP, Slide Projector, Television, Video Player, LCD Projector, Video Camera, Still Camera, DVD, Multimedia Computer, Audio Systems, Microscopic Projector, etc. is being provided in order to take teaching to the next level by making it more entertaining and interactive and thereby ensure the holistic development of students. For the safe transportation of girl students, the college has its own fleet of buses for almost all the localities in the region.

Student Development & Support Facilities

Central Association:
Central Association is the Apex Body of the students. The main aim of the central association is to instill among the students values of discipline, team spirit, humanity, humility, responsibility and duty consciousness.

NCC:
In order to instil discipline and patriotic fervour in the youth, the college has a NCC platoon which gives military training to the students. Our NCC Cadets participate in various camps, expeditions and training programmes organised by NCC (Head Quarter)

Red Cross Society:
The Red Cross Society is a humanitarian organization dedicated to providing assistance, support, and protection to those in need. It plays a critical role in responding to and alleviating the suffering caused by natural disasters, armed conflicts, and other emergencies. Its activities include disaster response and recovery, health and medical services, blood donation programs, supporting vulnerable populations, disaster preparedness and risk reduction.

Cultural Enlightenment Cell:
Our college YOUTH WELFARE club is affiliated to the directorate of YOUTH SERVICES, Govt. of Punjab. This club aims at bringing out the latent talent of the budding artists and debaters and provides exposure to the students for the all round development of their personalities.

Library- Cyberia of Knowledge:
The college has a fully computerized central library which is connected with the library of IT and Commerce block.
• The Book Bank facility is provided to needy and deserving students.
• The Library has 39110 books, 14 Journals & Magazines and 18 Newspapers
• The Library has the following facilities: Reprography | Computer |Audio & Video Cassettes | Internet | Inflibnet - e content.
• The library also has a browsing centre with desktop computers and internet facility for students as well as faculty members.

NSS:
Under the banner "NOT ME BUT YOU' our four N.S.S. UNITS are working effectively. NSS aims at motivating students to do selfless service towards the humanity

Incubation Centre

The Incubation Centre is designed to foster innovation and entrepreneurial skills among our students. Established to support young women in their entrepreneurial journeys, the center provides resources, mentorship, and networking opportunities to nurture business ideas from conception to execution.

This initiative aligns with our broader mission to provide holistic education that empowers women to excel in their chosen fields. By offering a platform where students can experiment with their business ideas and receive guidance from experienced mentors, the center not only promotes entrepreneurial thinking but also enhances employability and leadership skills among our graduates.
